<u>Appliances</u>			
	<p>Induction Cooktop General Electric Model: PHP900SMSS</p>	<p>Induction cooktops represent one type of pan-sensor technology. This unit heats the cookware itself and not the surface unit. Even when the cooktop is turned on, the surface not covered by cookware remains cool to the touch.</p>	<p>www.GEappliances.com (800) 626-2005</p>
	<p>Convection/Microwave Oven General Electric Model: PHP900SMSS</p>	<p>GE Profile™ 1.5 cu. Ft. Convection/ Microwave Oven has a digital display with dial control for quick and easy adjustments.</p>	<p>www.GEappliances.com (800) 626-2005</p>
	<p>Wall Oven General Electric Model: JT930SKSS</p>	<p>GE Profile™ 30" Built-In Single Wall Oven with Trivection® Technology combines thermal, convection and microwave energies to produce quality foods remarkably fast.</p>	<p>www.GEappliances.com (800) 626-2005</p>
	<p>Refrigerator General Electric Model: PSC25PSWSS</p>	<p>GE Profile™ 24.6 cu. Ft. Energy Star®, accessible side-by-side refrigerator offers a Climate-Keeper2™ system that keeps food fresh longer by using a unique dual-evaporator system.</p>	<p>www.GEappliances.com (800) 626-2005</p>

<u>Photo</u>	<u>Product/Manufacturer</u>	<u>Description</u>	<u>Contact</u>
	<p>Kitchen Aid Single-Drawer Dishwasher Model: KUDD03STSS</p>	<p>The unique drawer design dishwasher allows small loads without wasting energy. The raised appliance to counter level eliminates the need for bending while loading and unloading dishes.</p>	<p>www.kitchenaid.com (800) 422-1230</p>
	<p>Hood Imperial California Products Inc.</p>	<p>Range Hood with easy access wall switch set into a custom hood that matches cabinets. Includes Fire Safety Thermostat that will turn unit on when the temperature reaches 130 degrees.</p>	<p>www.imperialhoods.com 800 851-4192</p>
	<p>Washer Ariston Model: AW125NA</p>	<p>The 24" front load washer has a washing capacity of 13 lbs. The system uses dramatically less water and less energy than conventional models. It sits on a pedestal for easy loading and unloading. This is Energy Star™ compliant.</p>	<p>www.ajmadison.com 1-800-570-3355</p>
	<p>Dryer Ariston Model: AS65VXSNA</p>	<p>The 24" front load electric dryer has a drying capacity of 15 lbs. It sits on a pedestal for easy loading and unloading. This is Energy Star™ compliant.</p>	<p>www.ajmadison.com 1-800-570-3355</p>

<u>Building</u>			
	Solar Power System Yes! Solar Power 2.4 Kwh System	Solar power systems reduce monthly utility bills and have a positive impact on the environment. Series solar modules are designed to withstand harsh environments and extreme operating conditions.	www.solarpowerinc.net (880) 548-8767
	Inverter Fronius IG	Grid-connected PV Inverter for maximum energy harvest from every ray of sunlight. The automatic transformer switches functions over three efficiency peaks for consistently higher efficiency over a wide input of voltage range. Inverter allows maximum power harvest out of partial load ranges. Software enables efficient MPP-tracking. Easy installation through power plug system. Comes with built-in, lockable and load breakable DC Disconnect.	www.fronius.com (810) 220-4414
	Tankless Water Heater Noritz® Model: 751 Series	The 751 tankless water heater system provides energy efficiency, heating water on demand without storing large quantities of water. Built-in features include safety lock-out, freeze protection, and high elevation adjustment.	www.noritz.com (866) 766-7489
	Air Conditioner Lennox Model: XC21	Signature Air Conditioner with SilentComfort™ technology; sound levels as low as 60dB; Two Stage scroll compressor runs at low speed 80% of the time. Energy Star qualified. Environmentally responsible chlorine free refrigerant. Listed in the GreenSpec® Directory.	www.lennox.com (800) 8-LENNOX

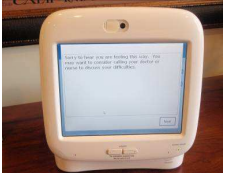

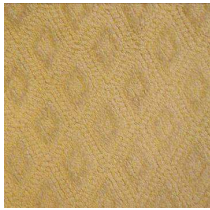

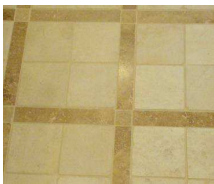

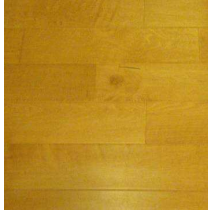

Photo	Product/Manufacturer	Description	Contact
	Furnace Lennox Model: G71MPP	Signature Variable Capacity Gas Furnace. SilentComfort™ technology for quiet heating. Automatically adjusts heat and airflow capacity in increments as small as 1% for the ultimate in temperature control. Variable speed blower motor and variable capacity operation with output varying from 40% to 100%.	www.lennox.com (800) 8-LENNOX
	Radiant Floor Heating Nuheat® Model: NTG5110 & NTG5220	The Nuheat in-floor heating system provides under floor heat for warm floors and soothing comfort. The under floor heating system keeps tile, stone, marble, laminate and engineered wood surfaces at a just-right temperature.	www.nuheat.com (800) 778-WARM (9276)
	Air Filtration System Allergen Safe Homes	An Allergen Safe Home offers hospital quality filtered air. Customers benefit from increased comfort and increased energy savings. It maintains allergen loads below low risk disease levels. This enables the occupants to more effectively prevent and manage asthma and allergies. Thermostat has large easy to read numbers.	www.allergensafehomes.com (916) 857-0250
	Windows Milgard Casement	Montecito Vinyl Casement Windows with low-profile nesting operating handle made of stainless steel with tan finish. Reduced energy consumption with standard SunCoat® low-E insulating glass.	www.milgard.com (800) MILGARD
	Security Alarm Elk Alarm Systems Model: M1KP2	Low profile illuminated LCD keypad. Keypad has four programmable function keys.	www.elkproducts.com (800) 797-9355

Photo	Product/Manufacturer	Description	Contact
	Security Door Station Elan Home Systems DS3 Series	Designed to be installed in a variety of locations, each door station allows custom installation in areas such as the front door, back door or gates. Each model allow independent conversation with visitors at up to four locations. Provides security with camera, doorbell and intercom.	www.elanhomesystems.com (800) 622-3526
	Smoke/Carbon Monoxide Alarm Kidde	Combination Smoke and Carbon Monoxide Alarm. CO alarm with electrochemical sensing technology. This alarm is suitable as a single station and/or multiple station. Kidde alarms can be wired to an existing Kidde interconnected system.	www.kiddeus.com (800) 880-6788
	Fire Sprinklers Immoos Fire Protection	Fire protection and sprinkler system.	www.immoosfire.com (916) 714-7307
	Garage Door IDEAL Door	Durable construction 2" thick 25-gauge steel door. Energy-efficient, quiet and long-lasting operation. Insulation backed with a durable vinyl cover. Design and surface texture: Standard Classic, Flush or Long Ranch style panels with wood grain texture. Finger-protection joint with Weather stop™ Seal help provide protection against air and water infiltration	www.idealdoors.com (800) 225-6729
	Garage Floor Coating 3M Colorquarts Crystals	The quartz in Colorquartz Crystals offers tremendous resilience and slip resistance. Colors stay radiant and can withstand sun, cleaning chemicals and heavy traffic.	www.idealdoors.com (800) 225-6730

<u>Photo</u>	<u>Product/Manufacturer</u>	<u>Description</u>	<u>Contact</u>
	Insulation CertainTeed Optima Insulation	CertainTeed's Optima insulation is GreenGuard certified with an R-value of R-15. The blown-in application offers uniform coverage and fills every cavity, even hard-to-reach areas.	www.idealdoors.com (800) 225-6731
<u>Technologies</u>			
	HomeLogic	HomeLogic home automation solutions incorporate key features for delivering ease-of-use, installation, maintenance and support, maximizing user convenience and enjoyment.	www.homelogic.com (781) 639-5155
	Dakim Brain Fitness	Dakim Brain Fitness is a fun and easy program that helps seniors use rigorous cognitive exercise to prevent or slow the development of dementia. Playing Dakim's highly stimulating and enjoyable brain games is simple, easy and intuitive for seniors on Dakim's touch screen computer, even if they've never used a computer before.	www.dakim.com (916) 857-0250
	GrandCare Systems	Using a combination of remote environmental sensing, passive physiological sensing, artificial intelligence, and networking technologies, Grandcare Systems products allow the caregiver to keep a careful eye on the loved-one without compromising dignity or privacy. This reduces caregiver stress by providing peace of mind all around.	www.grandcare.com (262) 384-4903
